

REVIVO BioSystems Privacy Policy

At REVIVO BioSystems, we value your privacy. This Privacy Policy outlines how we handle and manage your Personal Data in accordance with the relevant regulations, including the Personal Data Protection Act 2012 (PDPA), which is designed to safeguard the Personal Data of individuals.

We may periodically update this Privacy Policy to ensure compliance with the PDPA, and any modifications will be published here. Your continued use of our Website after such changes have been posted indicates your acceptance of the revised Privacy Policy.

As our Website may contain hyperlinks to other sites, REVIVO BioSystems is not responsible for the privacy practices of those external websites. We encourage you to review the privacy notices of such websites.

Personal Data

"Personal Data" refers to any data or information about you that can identify you, either individually or in conjunction with other information to which we have or may have access.

Examples of Personal Data include your name, contact number(s), email address, and any other information related to you that you have provided to us through various interactions.

Collection, Use, and/or Disclosure of Personal Data

REVIVO BioSystems may collect your Personal Data submitted through our website (www.revivobio.com), mail, or registration forms at events for specified purposes. We ensure that the collection is limited to what is necessary for engagement based on your request, query, and/or applications submitted. By voluntarily providing your Personal Data to REVIVO BioSystems, you are considered to have consented to the use and/or disclosure of the data for the specified purposes.

It is essential to ensure that all Personal Data submitted to us is complete and accurate. Failure to do so may result in our inability to contact you or carry out activities for the specified purposes.

When Personal Data is submitted on behalf of another individual, you warrant that you have obtained all necessary consents in accordance with applicable data protection legislation, including the PDPA.

Minors

You are deemed to have provided personal consent for the collection, use, and/or disclosure of your Personal Data voluntarily provided for specified purposes, and that you are of the legal in your jurisdiction of residence to do so without the need for a consenting legally authorised third party.

Information Security

We are committed to protecting Personal Data from misuse and unauthorized disclosure. Your Personal Data will only be used and/or disclosed for the purposes for which you have provided consent.

We will retain your Personal Data for the necessary duration and, where permitted by law, dispose of or make unidentifiable Personal Data no longer needed.

To safeguard your Personal Data, all electronic storage and transmission are secured using appropriate security technologies.

Use of Cookies

Cookies are small data files placed on your computer or device by your browser. These cookies help us understand your interaction with our Website, enhancing your overall experience. You may disable cookies by adjusting your browser settings, but certain parts of our Website may become inaccessible.

Contact Us

For any questions or feedback related to the use and/or disclosure of your Personal Data, inquiries about our Privacy Policy, requests for access or corrections to your Personal Data, or withdrawal of consent, you can contact our Data Protection Officer via info@revivobio.com. You can expect a response within 30 days of us receiving your inquiries/feedback.

Additionally, if you withdraw consent for the use and/or disclosure of your Personal Data, depending on the nature of your request, we may not be able to continue engaging with you.
